

# plastech Packaging

## Presentation Boxes

With our new facility, we are now able to enhance our range of promotional display packaging by specialising in the manufacture of fabricated transparent boxes, tubes and containers for the retail sector and the packaging trade, in addition to our standard range, our designs include Ovals, Pillow Packs, Heart Shapes, Christmas Trees and Pyramids.

## Packaging Tubes

Plastech are established market leaders in the manufacture and supply of thin walled crystal clear and coloured extruded packaging profiles and containers.

## Mailing Tubes

Our standard range of mailing Tubes are available in clear or coloured options and will ensure Total protection from point of mailing to final delivery.

With over three decades of manufacturing experience, supplying the retail sector throughout the UK and Europe. Plastech are the leading provider of clear plastic packaging solutions to the consumer promotional packaging sector.

### Clamshells

To complete our range of clear packaging solutions we are delighted to be appointed the exclusive UK distributors for the Blibox and Blibool range of clamshell packs.

### Folded Sleeves & Wallets

As part of our client service development we have the facility to manufacture a range of Document Folders, Cheque Book and Credit Card Wallets and Protective and Decorative Sleeves.

### Presentation Box Lids & Bases

To complement our presentation boxes we also manufacture a range of transparent box lids, bases and windows to meet your custom requirements.
